

## COLOP e-mark® Wristbands – Product data sheet and description

### Short description

With COLOP e-mark® event wristbands, you can personalise wristbands for events, parties or other occasions. Use the wristbands for identification purposes or simply as a nice gift for guests at various celebrations. The wristbands are available in a pack of 10 sheets, each sheet consisting of 10 bands that can be easily torn off after printing.

### Usage

The event wristbands were specially developed for printing with the COLOP e-mark devices. Since the e-mark sensor cannot detect movement on the wristband material, it is recommended to use the e-mark ruler for printing. To do this, the ruler is positioned on a band, the e-mark is placed on the ruler and printed with a sideways movement. The side to be printed is the one without the adhesive. Now the band is torn off the sheet, the film is removed from the adhesive area and closed around a hand.

Note: With full-surface, dark texts and elements, there may be longer drying times and an impairment of the print quality.

*Any handling other than that described in this document does not comply with the purpose of this product.*

*The product is not a children's toy.*

### Product features

- 100 wristbands per pack
- Allows scratch and water-resistant printed bands in full colour

## Product information

Material	HDPE
Colour	White
Wristband – Size	19 x 250 mm / 0.75" x 9.84"
Wristband - Weight	0.5 g
Pack - Size incl. packaging (L x W x H)	200 x 253 x 5 mm / 7.87" x 9.96" x 0.2"
Pack – Weight incl. packaging	111 g
Master case (8 pieces) - Weight	970 g
Master case (8 pieces) – Size (L x W x H)	215 x 280 x 40 mm / 8.46" x 11.02" x 1.57"
