

## COLOP e-mark® go Ruler Product information

### Short description

The COLOP e-mark® go Ruler offers a simple straight-line guidance of the device. In addition, it enables printing on difficult/uneven objects and on surfaces where sensor detection can cause problems, such as narrow edges. Furthermore, even small objects can now be printed on with precise positioning.

To facilitate particularly precise working, the Ruler provides a recess on the side to enable the additional use of a conventional ruler. This enables millimetre-exact definition of distances between the lines.

Like the Ribbon Guide, the COLOP e-mark® go Ruler can be used together with the consumables within the COLOP e-mark® product range as well. The Ruler is particularly suitable for the use of the COLOP e-mark® wristbands.

### Product features

- Perfect fit
- Side recess for ruler
- Optimal sensor detection
- Ruler in mm and inch for better positioning of imprints
- Made in Austria

<b>Item</b>	COLOP e-mark® go Ruler
<b>Material</b>	ABS
<b>Colour</b>	Sage
<b>Size</b>	250 x 10 x 85 mm / 9.84" x 0.39" x 3.35"
<b>Weight (inkl./excl. packaging)</b>	51.5 g / 30.85 g
<b>Packaging dimension (L x W x H)</b>	87 x 12 x 255 mm / 3.42" x 0.47" x 10.04"
<b>Weight of master case (12 pieces)</b>	704,3 g
<b>Dimensions of master case (L x W x H)</b>	161 x 94 x 279 mm / 6.34" x 3.7" x 10.98"
<b>Compatibility</b>	COLOP e-mark® go
<b>Customs tariff code</b>	39269097
<b>Country of origin</b>	Austria
<b>Item no.</b>	164874
<b>EAN13</b>	9004362532125
<b>EAN128</b>	02090043625321253712
